North GA RESA

## Going Beyond

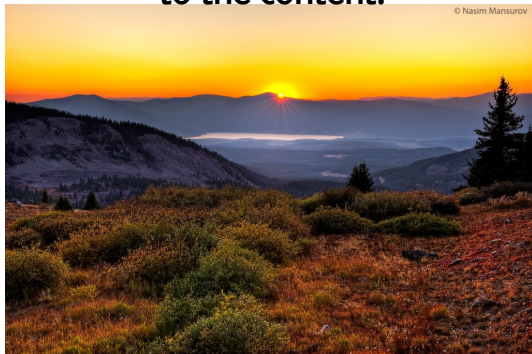

### Keynote – Jeff Giddens

Jeff currently works as the Director of Academic Support (STEM/ Instructional Technology) for Bulloch County Schools. Prior to that, he spent many years as an Instructional Technology leader through Georgia’s ETTs. He has presented at numerous events, including GAETC and ISTE. Jeff has a passion for helping people see beyond the tools

themselves to grasp the full potential technology can have in education. Jeff has a fun and unique take on learning that is sure to inspire!

Camp Tech will feature great presenters covering a variety of leading edge topics such as using Cloud Platforms and dealing with digital media. Session times are designed to make sure you have time to “dig in” to the content.

We will have T-Shirts, door prizes, and a lunch provided by Howard Technology Solutions.

All for just \$25!
