North GA RESA

Amazing Innovations

Featuring — Cat Flippen

Cat Flippen is the Personalized Learning & Innovation Specialist for Jackson County Schools and a Google Certified Innovator. Her mission is to impact every student through instructional technology, blended learning, and disruptive innovation. She will bring a world of ideas on how teachers, instructional technology specialists, media specialists, and anyone with a passion for instructional technology, can transform the classroom. Learn about new and emerging resources and technologies and how they can positively impact student instruction.
